

KURT

COMFORT & SPORTIVITY

Kurt embodies the perfect balance between performance, style, and sustainability. Now made with 26% recycled polycarbonate, it reflects our commitment to eco-responsibility without compromising the performance and unique design that have made it one of our bestsellers. Its innovative design combines base 4 lenses with a slightly curved base 6 frame, ensuring an ideal balance of protection and adaptability. Available in two sizes to fit a wide range of morphologies, Kurt is an essential choice for a safety eyewear that is reliable, stylish, and eco-designed.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
