5 YEAR WARRANTY

The Sordin Supreme Pro-X is hunters' first choice since decades. It owes its legendary status to an extreme robustness and complete waterproofness – making most hearing protectors last way beyond than their 5-year warranty. But if you asked any seasoned hunter, they'll probably say it's all about sound quality. And the best sound in the market just became even better – as all 2023 Pro-X models come delivered with HEAR2, Sordin's new highly advanced audio system. And the legends continues.
